Frequently asked questions

Where do I start?

Register for your FREE Active Leisure Card at any of our leisure centres or swimming pools and then simply show your card whenever you pay & play.

Your FREE Active Card means that:

- If you are eligible for a discount then this will be the rate you pay every time you use our leisure centres and swimming pools (See Section 3).
- You will be able to book over the phone and in person up to 7 days in advance.
- You will be able to register for online bookings.

How can I get even better value?

If you are going to be a regular user of our leisure centres or pools you may like to take advantage of one of our fantastic Premier, Play and Swim Active Direct Debit or Annual payment options.

Terms & Conditions

Please note that the use of your Active Leisure Card and the Fitness Studio are subject to our standard Terms & Conditions. A copy of these conditions of use are available at reception on request or online at www.angcomleisure.com

Is the active card secure?

Yes, there is no personal information stored on the card at all, just a unique reference number that gives our staff access to your data.

Photo ID

Because the Active Leisure Card has a monetary value, all Card holders are required to have an identity photograph linked to their individual details on our system. This is the simplest and most secure way to ensure that we match each card to the approved user.

Photographs are taken using the web camera at Reception and will only be used for ID purposes. The information is only accessible by authorised Anglia Community Leisure employees and is used only to verify your bookings for activities at our leisure centres and swimming pools. Active Card holders who do not agree to their photograph being taken may have their card and entitlements withdrawn.

Please refer to the next page for a list of accepted proof of entitlement. This list is subject to change as state benefits are reviewed.

Data Protection:

Data will be stored and used in accordance with the provisions of the Data Protection Act 1998 for which Anglia Community Leisure is registered.

How do I apply?

Complete the attached application form and present it to any of our leisure centre or swimming pool receptions (along with proof of entitlement if applying for a discount rate).
